

Dalguise 2007

In September, P6/7 went to Dalguise to have an activity week. We left Eddleston Primary School in a bus with Walkerburn and Halyrude. We left school at half past eleven and it took five hours to get there. By the time we got there it was half past three we had to drag our bags all the way up to our chalet.

The rooms were very small and I shared a room with Gus and John our room was quite messy. On Tuesday morning we had to wake up at half past seven we got dressed and went up to the canteen for breakfast then we went and did some activities in our groups my group was Struan, John, Robert, Gus, Angus, Glen, Gregor, Meddey, Emily and Annabelle. There were lots of activities there was a giant swing, a zip wire, a cat walk, an assault course, motor sports and lots more. We did a different activity every night and on the last night we had a big bonfire and we sang lots of silly songs. We had two main groupies who were Sean and Lizzie. Dalguise was the best trip ever and I hope I go again.
