

Eddleston Out Of School Club

11/12/2008

The Eddleston Out of School Club (OOSC) continues to grow in strength & numbers, recently securing substantial Scottish Borders Council Childcare grant funding, allowing us to realise a firm, sustainable facility providing quality out of school childcare for the primary school aged children of the local community.

We have recently applied for sole registration with the Care Commission, and have submitted application for charitable status in our own right.

We plan a fundraising race night in February of 2009, (details to follow), will be running our third "Bar and BBQ" at the 2009 Annual Children's Festival, and are looking to expand our operation from our current Mon -Thurs, to potentially a 5 day a week facility, including a breakfast club and regular holiday/in-service-day facilities as soon as demand dictates.

The OOSC are delighted to be in a position to offer an All-Day Holiday Club, starting with the February '09 mid-term break (subject to demand).

Meantime The OOSC invite ALL primary aged children, to a Christmas Party at the Eddleston Village Hall, on Thursday 18th December 2008, from 15.00-17.00hrs. Party games, Party food and Festive fun are on offer for only £2 per head payable on the day. We look forward to seeing whoever can fit it in to their busy diaries!

A detailed OOSC newsletter will be published in January, however if there are any interim queries or bookings for the Christmas Party, please text/contact:

Asst.Manager: Alison Brown 07899 740 764
Manager: Ashley Crawford 07852 294 983

We rely on your support.

Many Thanks

Roddy Scott (Committee Secretary)
